Election of President and Vice President, Tumkur Municipal Council.

The term of the Council extends up to 1st August 1927, the Council having been reconstituted with effect from 1st August 1926. Under Regulation IV of 1923, the term of the President and Vice Presidents of Town and Minor Municipal Councils extends to only 1 year. The existing President and Vice Presidents were elected for 1 year from 4th November 1925 and ~~xxx~~ under the above calculations their term should expire on 4th November 1926. But ~~xxx~~ under Regulation IV of 1926, recently passed ~~xxxxxx~~ amending Regulation IV of 1923 the term of the President and Vice President is made to cease on the expiry of their term of office as Councillors. The Deputy Commissioner seems therefore to think that by virtue of this Regulation the term of the present President and Vice President should continue up to 1st August 1927.

3 Prior to Regulation IV of 1923 which fixed the term to 1 year, the terms of Presidents and Vice Presidents extended up to the term of their Office as Councillors. The question whether on account of the passing of Regulation IV of 1923, restricting the period to 1 year, the term of Presidents and Vice Presidents appointed after Regulation IV of 1923 was passed should be

General and Revenue Secretariat | Municipal File No. 14 of 1926

Serial No.

restricted to 1 year or whether they should have right to continue for 3 years which was given to them under the law in force at the time of their appointment was considered on a reference made by the same Council at that time.

4 It was then decided that, as the Regulation IV of 1923 was not intended to have retrospective effect, the amended Section will apply only to those who happen to be elected subsequent to the passing of the Regulation (Vide Government Advocate's view given in Municipal File 62 of 1922.)

5 On the same principle, the amended section under Regulation IV of 1926 perhaps be made applicable only to those who happen to be elected subsequent to the passing of Regulation IV of 1926.

The Tumkur Municipal Council will therefore have to hold an election after 4th November 1926, as the term of the present President and Vice President who were elected under the Old Regulation will be only for 1 year i.e. from 4th November 1925 to 4th November 1926.

6 If approved, the President will be informed accordingly.

I have carefully considered the point raised

The new provision applies to those elected after the passing of the amending Regulation & not to the elections made under the repealed provision

9 In the present case the voters had every right to believe that the nominee would hold office for one year only & that it would not be expedient to allow this nominee to continue for a further period of 2 years & thereby suspending their right to elect another or their own nominee after the expiry of the term for which the Legislature

10 The new act should not be affected as to take away any right acquired under the old act

11 For the reasons I have advanced I am of the view that the term of office should be regulated by the provisions of the Regulation in force at the time of his election.

2) Section 23(6) of Regulation VII of 1906, as amended by S 3 of Regulation IV of 1923, has been repealed and a new section has been substituted therefor under S 4 of Reg IV of 1926

3) The intention of the Legislature in passing Regulation IV of 1926 was clearly to amend the Regulation of 1906, by substituting some new provisions for the corresponding ones and to give effect to these changes in the law as from the 1st July 1926

4) Old section 23(6) is no longer in force and we have therefore to apply the new S. 23(6) accordingly

to which the term of office of the President and of the Vice President, which was limited only to one year under the repealed Enactment, shall cease on the Expiry of his term as Councillor. There is nothing in the new Legislation to indicate that this new provision should not be applied to appointments already made under the old section.

20 The question would, however, have been different, if the effect of the new provision would have prejudicially affected rights already vested or powers already conferred to a party under the old law. In the absence of any specific words to that effect, a Statute cannot have a retrospective operation as there is a presumption that the Legislature does not intend what is unjust. "Every Statute, it has been said, which takes away or impairs vested rights acquired under existing laws, or creates a new obligation, or imposes a new duty, or attaches

attaches a new disability in respect of transactions or considerations already past, must be presumed, out of respect to the Legislature, to be intended not to have a retrospective operation." S. 6 of the General Clauses Regulation is also in accordance with this opinion. But here the circumstances are otherwise. The effect of the new provision is to extend the term rather than to restrict it, and the intention of the Legislature is also that the new section should take effect immediately.

3) There is also, strictly speaking, no question here of giving retrospective effect to the new regulation. It is only a case of giving effect to the provisions as they exist now.

4) I am therefore of opinion that the present terms of office of the Presidents of the Vice Presidents shall cease only on the expiry of the terms of each as Councillor, and not upon the expiry of one year from the date of their election as aforesaid.

Mr 5/11/26 It appears from para 2 of the Subsa that both the President and Vice President of the Municipal are elected. What they have acquired by election is a right to hold office for one year subject to the limitations of law in this behalf & this right is acquired by the President or V. President as a result of the exercise of franchise by the voters who exercised their right in the belief and under the impression that the persons elected would hold office for one year only. This right of the voters cannot it is said be made to be affected adversely by the new Act under the circumstances it may perhaps be said that the Presidents may be allowed to continue only—

"CHANDRA-VILASA,"
Bangalore City 12th Nov 1926

Dear Mr Mirza Ismail,

I have not with me a copy of Regulation IV of 1926, upon the operation of which the discussion turns But I will assume, as stated in the Secretariat notes, that it merely substitutes for the earlier section -- fixing the period of office of an elected President or Vice-President at one year-- a new one providing that the term of office as President or Vice-President shall cease on the expiry of his term as Councillor

I gather that it is under contemplation to bring forward a transitory provision to make it clear that elected Presidents and Vice-Presidents who are still in office on the date of the coming of the proposed amendment into force shall continue as such during their term as Councillors

I think we may, even in anticipation of the passing of such a provision, safely act upon the view that the effect of Regulation IV of 1926 is to make the term of office of President or Vice-President co-terminous with the term of office as Councillor As pointed out by the Government Advocate the result of applying the new Regulation will not be to take away an existing right, but rather to enlarge it by extending the term of office of the functionaries concerned

The Legislative Secretary's contention that such a course will take away "the vested right of a voter' seems to be rather far-fetched the only right he has is to record his vote, and this is not touched, the term of the person elected as President or Vice-President

is enlarged somewhat, but this is owing to the deliberate act of the Legislature, and the elector can have no reasonable grievance account

Yours sincerely

M. Chamarasa Chariar

Dear Sir,

With reference to the duration of the term of offices of the Presidents and Vice Presidents of Town and Minor Municipal - Councils elected for one year before the passing of Regulation IV of 1926 and continuing in office after the said Regulation came into force, Government are inclined to think that even though the transitory provision proposed in the draft Bill to further amend the Municipal Regulation has not yet been passed, there would seem to be no need for a fresh election until the period of office of such Presidents or Vice-Presidents as Municipal Councillors ceases

2 As, however, the point is not free from doubt and as the validity of the Presidents' an Vice-Presidents' acts may be called in question and contested in a -- court of Law and it is undesirable that - Govt should be made a party to any such suit, I am to suggest that you may advise any Municipal Council in which the term of one year for which the President or Vice-President was elected before the passing of Regulation IV of 1926 has expired or as about to expire that the Council may decide for itself whether a fresh election should be held or not Instruction if any, that may have been issued

In the case of the duration of the term of office of Presidents & Vice-Presidents elected before the passing of Regn IV of 1926, Govt are inclined to think that all the new Regn must supersede the old ones since the transitory provision proposed in the Draft Amendment Bill has not yet been passed; & in this view there will be no need of a fresh election until the period of office of the Pres or V-Ps as a consequence of the Regn of 1926

As however, the points of law are not free from doubt, and as the validity of the proceedings of V-Ps elected may be called in question or contested in a Court of Law, and as it is undesirable that Govt should be made a party to such suit I am to suggest that you may advise any Municipal Council in which a fresh election is due under the old Regn, that - As soon

Dear Sir,

With reference to your D.O. letter No: L 3220-7/ M.L. 14-26-2 dated the 15th November 26, re- the fresh election of Presidents and vice-Presidents of Town and Minor Municipalities after the expiry of the term of Offices of the present incumbents who were elected for only one year before the passing of the Regu--lation No IV of 1926, I write to inform you that there are no cases in which fresh elections of Presidents and Vice- Presidents are called for just now in this district nor any instruction issued to any Municipal Council in the matter. I have this day forwarded a copy of your D.O. letter under reply to the Presidents of the marginally noted Municipalities, the term of offices of whose Presidents or Vice- Predents expire on the dates noted against each, and have asked them to place the matter before the respect. Municipal Councils and report as to what they decide to do in the light of instructions conveyed in your said D.O. letter.

2. In the meantime, I may mention that the Municipal Council of Sravan--belogola has no vice-President, elected or nominated, since its re-constitution in September 1924. The Swamigalu of the local Jain Matt having applied for the grant of privilege to him of nominating the Vice-President, the matter was deferred pending the passing of the amended Municipal Regula--tion No: IV of 1926, vide your letter No: L 2044/M.L.67-25-8 dated 14th September 1925. No further orders of Government have

have been passed in the matter

The Banavar Municipal Council elected their Vice-President only very recently, vide Government Notification No L 2071 / M L 68 36-2 dated 16 9 26, and the Konanur Municipal Council is to be re-constituted from 1st December 1926, and as such the Vice-President of that Municipal Council has to be elected afresh, as the present incumbent ceases to hold the Office with the expiry of the term of the present constitution of the Council

4 Thus, the Municipal Councils, who have to elect their President or Vice-Presidents in the immediate future during the term of their present constitution, are only (1) Saklespur, (2) Alur, (3) Arsikere, (4) Haranahalli, (5) Arkalgud, the time for such fresh election in the cases of the other Municipalities being far ~~beyond~~ off Of course, the Municipal Councils concerned will be consulted as to whether they prefer holding fresh elections pending the passing of the proposed amendment of the present legislature in this behalf

5 As for the legal advice, it seems better to consult the Government Advocate I have accordingly addressed him on the matter, and will issue needful instructions to the Municipal Councils as soon as I get his reply I suggest your consulting the Government Advocate in making matters clear, so that there may be no room for any complication in this behalf
